

South LA AYSO Referee self-scheduler Instructions

The self-scheduler allows referees to schedule their own match for Spring League games.

1. Login at <http://springleague.ayso1031.org>

You should have received an email, when the application was first submitted that contained login information. Please make sure to check your spam folder.

Email:

Password:

[Forgot your password?](#)
[Register as a new user](#)

NOTE: If you were added in the system by your coach or team manager during the team application process, an account was automatically created for you. Click on the **Forgot your password?** link to get your password.

2. If you do not have an account, select **Register as a new user** and follow the instructions for creating an account.
3. Step 2 of the user registration will ask you to select your home region and your team. Find your team from the dropdown list. If you do not have specific team, select RefForFun from the list.

* Select your default Competition:	2015 Spring League ▾
* Select your home/default Region:	1031 - South LA ▾
* Select your main team:	South LA Strikers ▾
The main team you select will receive your volunteer credit. If no team choose N/A. Multiple teams can be selected later.	
* Your referee badge level:	Advanced ▾ (Your referee badge not listed ? Contact Support)
<input type="button" value="Continue"/>	

4. After you complete registration, you will be taken to the dashboard. To sign up for your match, select **Referees – Self-Scheduler**

Home	My Account	Standings	Schedule	Volunteers	Referees	Logout
------	------------	-----------	----------	------------	----------	--------

5. From the Referee Self-Scheduler page, select **2015 Spring League** for Competition and click Search Games
