

Treasure Hunt

Level: Warm Up with Ball

Objective: Dribbling the soccer ball

Organisation

Set up a grid 30 x 20 yards and place as many disc cones and pinnies on the floor inside the grid as possible.

On the command of the coach, all the players go into the grid.

When all cones and pinnies are collected, each player counts to see how many 'pieces of treasure' they have.

The winning player is the one with the most.

Replace the cones all over the grid and play again.

Progression:

The players must dribble around (inside foot / outside foot) the treasure to 'dig it up' before they can take
