

# HOW TO USE THE SELF-SCHEDULER TO REQUEST A GAME

1. Login at <http://ref.ayso1031.org>

NOTE 1: If you were added as part of the spring league team application, you automatically have an account. In that case use the “**Forgot your password?**” link to request a password reset link.

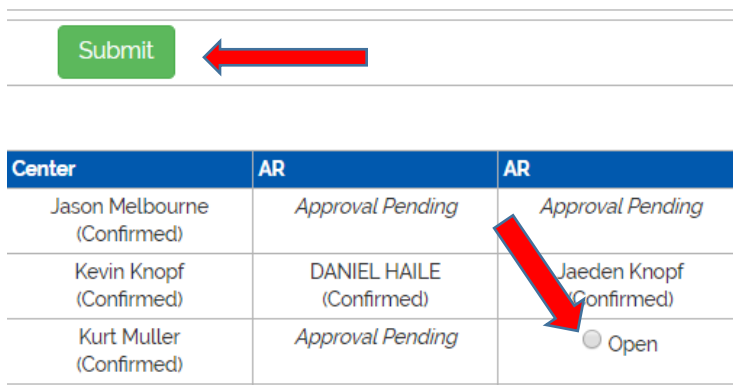

NOTE 2: If you are accessing the system the first time and do not have an account, click on “**Register as a new user**” to create an account. Select your team to credit your referee points.

2. Select **Referees – Self-Scheduler**

## Dashboard

Find the game you would like to referee, click on **Open** and click **submit**

A screenshot of a dashboard interface. At the top, there is a green 'Submit' button with a red arrow pointing to it from the right. Below the button is a table with three columns: 'Center', 'AR', and 'AR'. The table contains three rows of data. A red arrow points to the 'Open' button in the third row of the table.
